THE BUILDING

The building has a lot of other advantages to offer. Everything is located in the [HOTEL](#). There's a restaurant, called [CANVAS](#). There's the so called BATHING PLACE on the roof with hottubs, a sauna and a gorgeous view of Amsterdam. There's a [WORKPLACE](#) downstairs with great coffee and nice food. And [DOKA](#), in the basement, is where the live music and the dancing takes place. There's also cheap parking on the associated parking lot. All links are clickable for more information.

LAPTOP OR IMAC

Most people bring their own laptop. If you want to use our Apogee Duet 2 interface, please contact me and I'll send you a step-by-step guide to help you download the driver (takes less than 5 minutes). The iMac is used exclusively for recording or mixing music. If you want to use the iMac, [please remember to bring your own harddisc](#). The iMac will automatically delete all files when you log out.
